Independent Auditors' Report

Board of Directors
Communities In Schools of Chicago

We have audited the accompanying financial statements of Communities In Schools of Chicago (the Organization) (a not-for-profit organization), which comprise the statements of financial position as of June 30, 2017 and 2016, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Communities In Schools of Chicago as of June 30, 2017 and 2016, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

COMMUNITIES IN SCHOOLS OF CHICAGO

NOTES TO FINANCIAL STATEMENTS

1. Organization and purpose

Communities In Schools of Chicago (the Organization) is an Illinois not-for-profit corporation that surrounds students with a community of support, empowering them to stay in school and succeed in life. The Organization's primary funding source is donor contributions.

The Organization is an affiliate of Communities In Schools, Inc., the nation's leading dropout prevention organization. The Organization functions independently, with separate 501(c)(3) status, an autonomous board of directors and independent funding.

2. Summary of significant accounting policies

The significant accounting policies of the Organization are summarized below:

Basis of accounting:

The Organization's financial statements are prepared in accordance with accounting principles generally accepted in the United States of America.

Basis of presentation:

The Organization reports information regarding its financial position and activities in three classes of net assets: unrestricted net assets, temporarily restricted net assets and permanently restricted net assets.

Unrestricted - Unrestricted net assets are available to finance the general operations of the Organization. The only limits on the use of unrestricted net assets are the broad limits resulting from the nature of the Organization, the environment in which it operates and the purposes specified in its Articles of Incorporation.

Temporarily restricted - Temporarily restricted net assets result (a) from contributions and other inflows of assets, the use of which by the Organization is limited by donor-imposed stipulations that either expire by passage of time or can be fulfilled and removed by action of the Organization pursuant to those stipulations, (b) from other asset enhancements and diminishments subject to the same kinds of stipulations and (c) from reclassifications to (or from) other classes of net assets as a consequence of donor-imposed stipulations, their expiration by passage of time or their fulfillment and removal by actions of the Organization pursuant to those stipulations.

COMMUNITIES IN SCHOOLS OF CHICAGO

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

2. Summary of significant accounting policies (continued)

Basis of presentation: (continued)

Permanently restricted - Permanently restricted net assets are assets that have donor-imposed restrictions that stipulate that the contributed resources be maintained permanently but permit the Organization to utilize or expend part or all of the income or other economic benefits derived from the donated assets. There were no permanently restricted net assets as of June 30, 2017 and 2016.

Unrestricted and restricted revenue and support:

Contributions received are recorded as unrestricted, temporarily restricted or permanently restricted support depending on the existence and/or nature of any donor restrictions.

Donor-restricted support is reported as an increase in temporarily or permanently restricted net assets depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statements of activities as net assets released from restrictions. The Organization reports donor-restricted contributions for which restrictions are met in the same reporting period as unrestricted support.

Grants and contracts revenue is recognized when earned, which is generally when qualifying expenses have been incurred, contract services have been provided and other requirements have been met.

Grants and contracts receivable:

Grants and contracts receivable are stated at unpaid balances, less an allowance for doubtful accounts, if necessary. The Organization provides for losses on grants and contracts receivable using the allowance method. The allowance is based on experience, third-party contracts, and knowledge of circumstances that may affect the ability of clients to meet their obligations. Receivables are considered impaired if full principal payments are not received in accordance with the contractual terms. It is the Organization's policy to charge off uncollectible accounts receivable when management determines the receivable will not be collected. At June 30, 2017 and 2016, all amounts are considered fully collectible and an allowance for doubtful accounts is considered unnecessary and is not provided.

COMMUNITIES IN SCHOOLS OF CHICAGO

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

2. Summary of significant accounting policies (continued)

Unconditional promises to give:

Unconditional promises to give represent amounts pledged by donors or grantors, some of which are due in installments. Amounts due on dates that are more than one year in the future are recorded net of a present value discount. The Organization provides for losses on unconditional promises to give using the allowance method. The allowance is based on experience and knowledge of circumstances that may affect the ability of donors to meet their obligations. Receivables are considered impaired if full principal payments are not received in accordance with agreed upon terms. It is the Organization's policy to charge off uncollectible accounts receivable when management determines the receivable will not be collected. No allowance for doubtful accounts has been provided as management believes that all unconditional promises to give are fully collectible.

Property and equipment and related depreciation and amortization:

Property and equipment is stated at cost or, if donated, at the approximate fair value at the date of donation. Depreciation expense is calculated using the straight-line method over the estimated useful lives ranging from three to seven years for furniture, equipment and software. Leasehold improvements are amortized over the lesser of fifteen years or the remaining term of the lease. The Organization follows the practice of capitalizing all expenditures for property and equipment in excess of \$2,000 and with a useful life greater than one year.

Deferred rent:

The Organization records monthly rent expense equal to total minimum payments due over the lease term, divided by the number of months in the lease term. The difference between rent expense recorded and the amount paid is charged (credited) to deferred rent in the statements of financial position.

Contributed goods and services:

The Organization recognizes as revenue the fair value of contributed goods and services if the services (a) create or enhance nonfinancial assets or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased by the Organization. During the years ended June 30, 2017 and 2016, the Organization was the recipient of donated professional services totaling \$50,000 and \$47,315, respectively.

COMMUNITIES IN SCHOOLS OF CHICAGO

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

2. Summary of significant accounting policies (continued)

Expense allocation:

The costs of providing various programs and other activities have been summarized on a functional basis in the statements of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Use of estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Accordingly, actual results could differ from those estimates.

3. Tax status

The Organization is generally exempt from federal income tax pursuant to Section 501(c)(3) of the Internal Revenue Code (the Code) and applicable state law, except for taxes pertaining to unrelated business income, if any.

The Organization has adopted the requirements for accounting for uncertain tax positions and management has determined that the Organization was not required to record a liability related to uncertain tax positions as of June 30, 2017 and 2016.

4. Cash

The Organization maintains its cash in one account at a financial institution which, at times, may exceed federally-insured limits. Cash in excess of these limits totaled approximately \$581,000 and \$473,000 at June 30, 2017 and 2016, respectively. Management believes that the Organization is not exposed to any significant credit risk on cash.

7. Retirement plan

Employees of the Organization may participate in a 401(k) savings plan, whereby the employees may elect to make contributions pursuant to a salary reduction agreement, upon meeting age and length-of-service requirements. Employees may elect to defer a portion of their compensation up to the maximum allowed under Internal Revenue Service regulations. The Organization may make matching contributions equal to a discretionary percentage, to be determined by the Organization, of the participant's elective deferrals. In addition, the Organization may contribute an additional, discretionary amount. The Organization's matching contributions were \$27,501 and \$26,813 for the years ended June 30, 2017 and 2016, respectively.

8. Lease commitment

In May 2016, the Organization renegotiated their lease agreement for office space that reduced the square footage and extended its term until June 30, 2021. The extension includes rent abatements and escalations during the lease term and includes options to extend the lease term for two additional three-year periods which have not been exercised.

Future minimum lease payments required under the lease are as follows:
